WELCOME MESSAGE

Dear Friends,

On behalf of the organising committee of the **RSSDI DELHI CHAPTER**, it is indeed a great pleasure to invite you all to the **19th Annual Conference of the RESEARCH SOCIETY FOR THE STUDY OF DIABETES IN INDIA DELHI CHAPTER**. The conference has been scheduled on Saturday & Sunday, **9th - 10th December 2023**, at **Hotel Hyatt Regency, New Delhi**.

As always, this annual conference will attempt to provide an academic feast of latest developments in the field of diabetes. In addition to providing clinical updates relevant to diabetes practice, the conference will provide a platform to our members and fellow physicians to interact and exchange views, and help improving the understanding of Diabetes.

As we all know, the knowledge and understanding of diabetes is changing at a tremendous pace. From basics of pathophysiology to development of newer interventions, the last decade has seen a phenomenal change in the way we look at the subject of diabetes. In keeping with the basic ethos of RSSDI, research is an integral part of RSSDI and the conference will also provide a Platform to researcher & young students as well as residents to present their original work and interact with other researchers on both the days in the free paper presentation session which will be a very important part of the conference.

The venue **Hotel Hyatt Regency**, New Delhi has also been carefully chosen to provide easy accessibility, great conferencing infrastructure, and grand ambience with sufficient space to accommodate the gathering. Hope to see you in large number and making this conference a great success.

With best wishes!
